

LOOKING TO GREEN YOUR FOOD PACKAGING?

We can help.

With 17 years expertise specialising in eco-friendly packaging, and a track record of providing excellent service, we can assist you to fulfil your sustainability mandate.

TOP SELLERS

We supply an extensive range of quality plant-based packaging solutions to the food service industry. Get in touch so we can advise on your specific requirements.

WE'VE GOT YOU COVERED

Our Sales Offices and distribution facilities in Gauteng and the Western Cape can get your sustainable packaging to you quickly and hassle free, wherever you are in SA, and beyond.

EASY ORDERING

Stock management is easy with our dedicated sales team, and online ordering platforms. We can create a custom stock management solution tailored to your particular setup and needs.
