ABOUT BPS

We manufacture bespoke power solutions in South Africa for homes, offices, boardrooms, kitchens, hotel rooms, workbenches, server rooms, camping trailers and any area that requires a bespoke power fitting to enhance your space.

Our electrical engineers have over 50 years experience in the industry which means the highest quality components are used to give you peace of mind that you are getting a quality product that meets all safety standards.

BPS products are available nationwide and with a simple click of a button you can have a quote e-mailed from our website instantly.
