CELEBRATING THE BEAUTY
OF NATURAL FRAGRANCE

about the amanda-jayne collection

The Amanda-Jayne range of amenities are designed to enhance your well-being by combining luxurious personal care with the natural benefits of aromatherapy. The range includes products that cater to your daily needs, offering both functionality and a uplifting sensory experience.

KEY FEATURES

01 QUALITY INGREDIENTS

We use high-quality, non-toxic ingredients and pure essential oils to ensure the best results & experience.

02 ECO-FRIENDLY

Our products are crafted with sustainability in mind, using eco-friendly packaging and cruelty-free formulations.

03 SUITABILITY

Our amenities are designed to cater to a wide range of skin and hair types, ensuring everyone can enjoy the benefits.

04 AROMATHERAPY

Essential oils offer therapeutic benefits, helping to reduce stress, improve mood, and enhance relaxation.

05 NATURAL FRAGRANCE

Unlike synthetic fragrances, essential oils provide a natural, non-toxic scent.

06 HEALTH BENEFITS

Many essential oils have antibacterial, antifungal and anti-inflammatory properties, helping overall wellness.

A luxurious and holistic approach to personal care, blending the practical benefits of high-quality formulations with the enriching effects of essential oils. Whether you're looking to refresh, relax, or rejuvenate, our products provide a delightful and effective solution.

about amanda-jayne

My journey into the world of candle-making and scent development began in 2016, within the humble space of my garage in Cape Town. What started as a personal passion for fragrances soon blossomed into a successful venture.

I founded the Amanda-Jayne collection with a simple vision: to create high-quality, beautifully scented soy candles that could transform any space. As the years passed, our offerings expanded beyond candles to include a diverse range of home fragrances and body care products. Each addition to our collection reflects our commitment to innovation and quality. What was once a solitary endeavour has grown into an amazing business, thanks to the support and dedication of our incredible team.

Our team, composed entirely of talented women, has been a cornerstone of our success. Their expertise and dedication ensure that every product we create meets the highest standards of craftsmanship. From the initial design to the final hand-pouring in our factory, every step of our process is executed with meticulous attention to detail.

At Amanda-Jayne, we take pride in our commitment to natural and cruelty-free products. Our fragrances are crafted to be both kind to the environment and to animals, while still delivering a magical sensory experience. Each scent is carefully developed to evoke emotions, enhance ambiance, and bring a touch of enchantment to your everyday life.

Through passion, innovation, and a dedicated team, Amanda-Jayne continues to grow and evolve, always staying true to our core values of quality, natural ingredients, and ethical practices

accessories

electric lighter

The USB rechargeable lighter is a sustainable choice with almost no downsides. The rechargeable, fossil fuel-free technology can put an end to your days of buying and throwing away gas-powered lighters, while the elegant design and futuristic flame will actually have you excited about what's typically a pretty boring home item.

ceramic burners

Perfect to use with your favourite Amanda-Jayne essential oil blend. Simply add water, your essential oil blend of choice and place a lit tea candle underneath.

white tip matches

This elegant box of matches is an ideal addition to your candle lighting ritual.

Size: 56mm x 24mm

Each box Includes: 10 x 5cm white-tipped matches
