CLASSIC COLLECTION

High quality stainless steel

The cutlery in the Classic collection is made of 18/10 stainless steel. It is highly resistant to scratches as well as signs of daily wear.

Highly resistant to corrosion

ETERNUM offers 18/10 stainless steel cutlery with the highest degree of resistance to oxidisation.

Durable shine

The high shine finish obtained by mirror polishing of the cutlery is a surface treatment process which uses special rollers and an extremely fine grained abrasive paste. This technique makes it possible to maintain a durable shine on the cutlery, over many years.
