BELFIORE HOTEL

The Belfiore Hotel blanket has become a well-known standard within the South African hospitality industry. The recently enhanced construction results in a thick, consistent pile – creating a superior handle and durability. At a generous weight of 580 gsm, the Belfiore

Hotel blanket ensures optimal warmth. The range is available ex-stock in a variety of size and colour options. Customised sizes and colours can be made to order*.

*Custom orders subject to production limitations, minimum order quantities and lead times.

COTTON CHEVRON BLANKET

The Aranda Cotton blankets are woven from cotton grown and spun in South Africa. Cotton is a natural fibre that is known for its breathability and excellent wicking properties. This makes these 100% cotton blankets comfortable, durable, warm in winter and

cool in summer. The timeless herringbone weave of the Chevron design creates a beautiful surface texture. The range is available ex-stock in a variety of size and colour options. Customised sizes and colours can be made to order*.

*Custom orders subject to production limitations, minimum order quantities and lead times. Customised sizes and colours can be made to order.

CHENILLE RUNNERS AND SCATTERS

Aranda has developed a beautiful, yet hard-wearing chenille fabric for its range of plain colour runners and scatter cushions. The tightly woven fabric ensures strength and durability with minimal to zero snagging. The chenille runner is designed specifically to prevent fabric wear due to patrons resting their feet or baggage on the end of the bed. They are produced for

all bed sizes, however can be customised to requested lengths.* The chenille scatters are available in two sizes which are suitable for the hospitality industry. Both the runners and scatters are available across a co-ordinated range of eleven colours ex stock. Customised sizes and colours can be made to order.*

*Custom orders subject to production limitations, minimum order quantities and lead times. Customised sizes and colours can be made to order.
