

**Mamiba™**  
HOTEL SUPPLIES

MAMIBA is the largest Cosmetics Manufacturing plant specialised in Hotel Amenities in the MENA region, with over 15,600 m2 Surface Area. Located in Cairo, MAMIBA is not only a manufacturer, but a one stop hospitality solution provider with services ranging from designing to manufacturing custom-made personal care products, luxury room accessories, professional spa products, all the way to a cup of hot espresso straight from the city of Parma.

## A 360° APPROACH

80% +  
reliant on  
solar energy

# ECO POLICY

## Clean Energy

MAMIBA is one of the first manufacturing plants in Egypt to depend on renewable energy. Our solar station covers over 80% of the electricity consumption in our plant.

## Supply Chain

We are actively reducing the hospitality industry's carbon footprint by reducing the number of shipments per year to each of the different locations we serve. MAMIBA's logistic hubs ensure stock availability upon order, better control, quicker, and safer delivery to your door.

## Our Products

We are committed to the environment and offer eco-friendly alternatives for each of the products we manufacture.

## DARE TO BE DIFFERENT, DARE TO BE YOU!

We love working as one team with our clients, joining efforts to build something new that reflects the character and soul of a property in every product we create.

Whether it is a resort or business hotel, a boutique hotel, or a lodge in the heart of a jungle, we'll create options that fit your desires and communicate your identity.

Our customization is not only in the shades and finishes of our packaging, but in the formulation of our amenities.

Organic, sulfate-free and vegan options are always possibilities at MAMIBA.
